PURPOSE:

The Safety and Professionalism in Community-Based Nursing course is divided into 3 sections, with a quiz following each section. The sections are divided as follows: 1) Introduction, 2) Professionalism, and 3) Communication, with an optional appendix with further resources for trainers. This module is aimed at using a variety of content formats to describe the importance of and provide strategies for effective communication and maintaining professionalism to promote safety while working in the community.

LEARNING OUTCOME:

After this training, nurses will be able to identify tips for staying safe in community- based settings.

DISCLOSURES:

All presenters and planning committee members have completed a Financial Disclosures document that includes an explanation of Relevant Financial Relationships. Based on these forms none of the planning committee members or presenters have relevant financial relations with ineligible companies to disclose.
